FOURTEENTH YEAR

SERVICES HELD AT WELLSVILLE FOR CITIZEN

Andrew Adamson Laid To Rest By
Friends Who Pay High Tribute
To Well Spent Life

Wellsville, Sept. 19.—Monday afternoon at 2 o'clock in the tabernacle, impressive funeral services were held over the remains of Andrew Adamson. He passed away last Friday, from the effects of a cancer with which he has been afflicted for a number of years.

A large number of townspeople attended the funeral. The floral offerings were many and beautiful. The services began with the choir singing, "I Need Thee Every Hour." Prayer was offered by John Wyatt, Singing Nearer My God To Thee.

Bishop Maughan made the opening remarks. The other speakers were: Samuel Milton of Logan; Richard Branchley, Alexander Spence, and Thomas Leishman. They all bore testimony of the honest, upright character of the deceased and related reminiscences of their early association with him, experiences incident to pioneer life and the settlement of this town. Mention was made of the fact that he had done a great deal in relieving the suffering of others afflicted with the same disease as he had.

During the services, Unanswered Yet, was rendered by Maud Darley and John Branchley. The services closed by the choir singing, Shall We Meet Beyond the River. Benediction was pronounced by John A. Leishman.

The deceased was a native of Scotland. He came to America in 1861, making the voyage in a company of 930 and Latter-day Saints who had joined the church in Great Britain. From the Missouri river to Salt Lake City the journey was made by ox team. The following summer the Adamson family settled in Wellsville. He was later called to go back to the frontier to assist in bringing to this valley, emigrants who were unable to finance the trip themselves.

Mr. Adamson also served as a guardsman against the Indians in the early years of this town. He was 75 years of age, had never married, he has two sisters who survive him, Mrs. Thomas Grant and Mrs. Thomas Leishman.

A very sad death occurred in Sterling yesterday, Evelyn, the 16 year old daughter of Mr. John Redford, passed away. She has been suffering the past two weeks with typhoid fever.

Last Sunday saw an unusual attendance at Sacrament meeting. Stake Presidents William C. Parkinson, Andrew Israelson and William H. Maughan were the speakers. A quartet from the Hyrum Second ward did some excellent singing.

Our public schools started their work yesterday with the following teachers: Elmer Brossard, W. J. Allen, Edna Maughan, Maud Douglas, Maggie Leatham, Florence Young, Eleanor Garrett, May Jones and Lilian Ostlund.

Rulon Maughan, Zillah Stewart, Reese Maughan and Verna Maughan began their work at the B. Y. College yesterday.

George Haslam and family are moving to Lewiston this week to make their home there. Mr. Haslam is an energetic citizen, and what is our loss will be Lewiston's gain.

Tomorrow evening a Republican rally will be held here at which Nephi L. Morris will be the principal speaker.

Grandfather William H. Maughan, is wearing the smile that won't come off. A fine son was born to Mr. and Mrs. William B. Maughan of Salt Lake City, last Saturday.

Mrs. Esther Sorenson of Mendon, was visiting her mother Mrs. James Allen last week.

A baby was born last week to Mrs. Ethel Maughan Jones.

A fine time is in store for the dancers next Saturday evening. A new ten piece orchestra will be in attendance.

Read the Republican county platform in this issue.

Men's suits values to \$18; now \$10. Boys suits up to \$10, now \$5.25. At Newbolds, opposite post office, one week only.—Adv.

FAST GALLOPERS ENGAGED TO BE AT THE FAIR

The officers of the Fair Association are pleased to announce that they have closed a deal which will bring from sixteen to twenty of the fastest gallopers from all over the intermountain country and Canada for the Fair that have ever been here or in the intermountain circuit. There are many new ones besides the horses which have raced here before. This season some of these horses have run a half mile in 50 seconds on soft tracks. With the local track in good condition, all past records here should be broken.

Heretofore, Temple Standard, Tenderest, Dublin Minstrel Cabin and others have been the fastest horses. This year there are a number faster than these. The following gallopers will be here in two or three days: Dublin Minstrel, s. g.; Temple Standard, s. g.; Fanny F. b. m.; Tenderest, b. m.; Cabin, s. m.; Tippy b. m.; Dolligan, b. m.; Hooligan, br. h.; Sixteen, s. g.; Gypsy Vive, br. m.; Sultan, br. s.; Erora, b. h.; Wevett s. m.; June s. m.; Indian Maid, buckskin mare; Juno, br. h.; Pearson, b. h.; Little boots; Snail; Buff; Pareshaunt.

Tippy a bay mare, is reported to be the fastest on the circuit. The races are classified so they are very exciting and they will be one half, five eighths, and three eighths mile dashes. Every precaution will be taken to see that the races are fair, and the jockeys will be instructed that unfair play will not be tolerated and offenders will be disqualified and sent to the barn.

Up to date no galloper has run as consistently and made the number of records as Temple Standard. In 1914 during the fair, he ran the half mile in .51, five eighths mile in 63 seconds, another half mile in fifty and one half seconds. In 1915 he won second in the half mile in .53, won a half mile dash in .50 and was second in a five eighths mile in 1.02 1-2.

U.A.C. BUREAU FOR BETTER BUSINESS

A Better Business Bureau has been organized by the School of Commerce of the Utah Agricultural College. This bureau has as its aim the improvement of accounting methods and business practice in the State.

Its purposes are to assist students and student clubs or organizations at the college in the keeping of their personal and club accounts and to establish habits of economy, to assist in a constructive way the business men of the State by encouraging them in the improvements in accounting methods and business practice, to endorse standard systems of cost accounting for different lines of trade and industry, and to recommend to merchants and manufacturers the adoption of such systems in the interest of better business. The bureau hopes to secure the cooperation of such agencies as the Federal Trade Bureau and the Harvard Bureau of Business Research in accumulating and making available to business men, desirable data that will enable them to conduct their business more efficiently. It is part of a systematic movement designed to assist the business man in a way much the same as the Department of Agriculture is aiding the farmers of the country. Information will be gradually accumulated relating to sales, capital invested and the return upon capital in different lines of industry as an aid to those who are seeking safe as well as lucrative investments.

The movement is only in its infancy but it will undoubtedly become a real factor in the encouragement of better business.

Prof. Charles Kent, the famous Utah tenor and entertainer, will amuse all who attend Republican rally tonight at Nibley Hall.

ROUSING REPUBLICAN RATIFICATION MEETING AT NIBLEY HALL TONIGHT

Nephi L. Morris will be the principal speaker. Republican nominees on county ticket in attendance. Prof. Kent to amuse with Campaign songs.

There will be a rousing Republican rally at Nibley Hall tonight at which Hon. Nephi L. Morris, candidate for Governor, will be the chief speaker with Attorney Fabian and D. H. Madsen in attendance. Professor Charles Kent, Utah's great tenor singer, will charm the audience with patriotic airs and campaign hits. Republican rallies have already been held in Richmond, Hyrum and Wellsville this week at which places there have been good attendance.

The issues of the campaign, prohibition, Wilson administration policies in Mexico, Europe and passage of the Adamson eight hour law, have all been handled without gloves by these gentlemen.

The "spoils system," a pet hobby with the Democrats since the days of President Andrew Jackson, has been handled by Attorney Fabian, the great abuses which characterize this administration through appointments where the question of efficiency is not taken into consideration.

Mr. Morris has been touching on the policy of the Republican party

with respect to education in this state; the matter of state wide prohibition and promises if he is elected that Utah will get prohibition by legislative enactment in the year 1917.

Mr. Madsen shows the inconsistency of Simon Bamberger with regard to the issue of protection the one issue which characterizes a Republican from a Democrat. Mr. Bamberger refused to run on the Democratic ticket two years ago for the nomination of U. S. Senator as he said he could not vote with the Democrats on the policy of free trade as he regarded it essential that sugar should have protection in order that this country might compete with the foreign grown sugar. Now Mr. Bamberger is on the Democratic ticket, the free trade ticket, seeking the election to the office of governor. Mr. Madsen's talks have been very effective.

The singing of Professor Kent who will be at Nibley Hall tonight has captured all the audiences wherever he has been. Don't fail to hear him tonight.

REGISTRATION ON INCREASE AT THE U.A.C.

The second day of registration at the Utah Agricultural College closed yesterday afternoon with a substantial increase in registration over the same day last year. There was a marked increase in new students, the largest freshman class in the history of the institution registering. The large number of graduates from other colleges and universities applying for graduates work was also a notable feature of the early registration.

Every county in Utah is already well represented at the college. A surprisingly large number are coming from remote towns and communities. The small town of Blanding, one hundred and fifty miles from the nearest railroad, sent a dozen odd, while Bishop Magley brought a large delegation with him from Monroe. The various western states have added materially to the registration. California is represented as are Oregon, Idaho, Colorado, New Mexico, Wyoming Nevada and Arizona while from the South Alabama, Tennessee and Virginia send us students. From foreign countries come students from Armenia, India, Persia, South Africa, Russia and Canada.

President E. G. Peterson issued the following statement when interviewed last night: The outlook for a large number of students this year is splendid. At the present rate of registration, the college can expect an increase in enrollment of from two to three hundred students over any previous year. The market increase in the interest shown in the work of the School of Home Economics is especially gratifying. Over one hundred new girls applied for work in the college the first day.

Regular school work is getting under way. Some classes were met yesterday and most are under way today. The first student body meeting of the year will be held tomorrow. Friday will also see the first number of Student Life, the college weekly, issued. H. Grant Ivins, editor, arrived some days ago and is busy on the first issue.

FOOTBALL SQUAD BEING DRILLED BY NEW COACH

J. W. WATSON

Coach J. W. Watson is busy putting fight and vim into a husky squad of football men at the U. A. C. these days. Out of last year's team seven men are already back, and others are daily expected. Captain Judd is rounding into form as are Lindquist, Halton, Church, Curtis, Kapple, Twitchel. Lewis is expected tomorrow and S. Hatch is looked for before the end of the week. Nelson Young, a member of last year's squad, is back but unable to play, because of a broken arch sustained during the summer.

Among the many new men who appear daily, Bennion is showing up remarkably well. There is some doubt as to Bennion's eligibility, however. Gardner and Hughes, linemen, are playing an excellent game.

New training quarters have been provided the team at the Smart gymnasium. The whole building has been renovated and put into first class condition.

The Aggies play their first conference game October 14 at Logan, with the Colorado Aggies, 1915, conference champions. A game for the week previous is being arranged with some high school team. The rest of the schedule follows:

October 21—University of Wyoming, at Logan.

October 28—University of Nevada, at Reno.

November 4—Open.

November 11—University of Utah, at Salt Lake City.

November 18—Montana Aggies at Logan.

November 25—Open.

November 30, Thanksgiving—University of Idaho, at Logan.

SUPERVISORS COUNTY FAIR ASSOCIATION

Those who desire to make exhibits should make arrangements with the following supervisors or the officers of the Fair Association:

Department A, Horses—George Woolf, Hyde Park.

Department B, Cattle—W. E. Nyman, North Logan.

Department C, Sheep and Swine—W. E. Nyman, North Logan.

Department D, Poultry—H. C. Maughan, Logan.

Department E, Agricultural Products, Bees, etc.—Levi Hansen, Wellsville.

Department F, Horticulture—Anthony Pehrson, Logan.

Department G, Floriculture—Mrs. V. A. Armstrong, Logan.

Department H, Manufactures—Wm. H. Thain, President, Logan.

Department I, Women's Work and Home Economics—Miss Ollie Johnson, 82 West Second North, Phone 745w.

Department J, Educational—R. V. Larson, Smithfield.

 - b. Novelletten, No. 7.....Schumann ELLEN NEILSON
 8. a. Serenade..... Schubert
 - b. March..... J. S. Erb S. E. CLARK
- Everybody welcome. 9-23

ANDERSON - CLARK NUPTIALS

If Robert Anderson and Mrs. Margaret Clark ever entertained any notion that they were to have a quiet wedding following the temple ceremony yesterday, that notion certainly must have vanished after leaving the Logan temple as they were met by a dozen automobiles and paraded over the streets of Logan by a host of friends who wished to give them a reception which they would not soon forget.

Mr. Anderson and Mrs. Clark have told only a few friends that they were to be married and did not care to make any public demonstration over the incident. Carlisle Nibley was designated to be chauffeur from the temple and upon arriving for the newly weds, he had his car fully decorated for the occasion.

The paved streets were none too wide to accommodate the automobiles which joined in the parade and in the pleasantness incident to the rice shower which followed.

Mr. and Mrs. Anderson are among Logan's most popular people. They will have a host of friends in Logan and in Utah who will extend congratulations, in which The Logan Republican joins.

NEW TRIANGLE KEYSTONE FEATURES FORD STERLING

Ford Sterling's comic facial expressions and bodily contortions will be seen at their best in the new Triangle play at the Oak theater Friday and Saturday. As a would be stern parent he is ludicrous enough, but Sterling is almost killing when he yields to the charms of his boy's sweetheart.

The father finds out his son's infatuation through a quarrel between the youth and the landlord of the hotel where the family, as well as the girl, are living. There is a scene in the girl's room, where the father starts to get the girl to give up his son. Instead of that, the older man becomes infatuated himself. By agreement he meets her at a cafe and they are having a great time dancing until his wife and son appear on the scene.
